Maryland has enacted 4 abortion restrictions and has the third highest number of supportive policies in the country, along with 3 other states. State lawmakers should continue passing policies that are known to support women and children instead of harmful abortion restrictions.

### Abortion Restrictions
1. Ambulatory surgical center standards imposed on facilities providing abortion
2. Hospital privileges or alternative arrangement required for abortion providers
3. Restriction on which health care providers may provide abortions
4. Gestational age limit for abortion set by law
5. Medication abortion restrictions
6. Method abortion bans
7. Restrictions on abortion coverage in Medicaid
